

Swift Elite

A concierge program specifically designed around the needs and timelines of Executives. This service not only prioritizes your business visa needs, but provides one-on-one guidance and attention from our team.

We'll Get You There

For over a decade, Swift has been the go-to source for procuring business visas for Executives. We understand the challenges you face. We also know how important your business travel schedule and time are.

Benefits of Enrolling in Swift Elite

- ✓ **Swift Office Priority**
As a member of Swift Elite, your application will take priority among all other orders. What does that mean? Your package will be the first to be opened and submitted. You'll also receive continual updates and immediate alerts if any issues arise.
- ✓ **A Customized Customer Profile**
Your dedicated agent will create and maintain a personal profile with up-to-date contact and shipping information. Your profile will also contain scans of all valid visas and your current passport.
- ✓ **Complimentary Photo Upload**
After you upload your photo, your agent will size and print it, ensuring your photo meets each consulate's specifications.
- ✓ **Application & Supporting Documentation Assembly**
All visa applications and letters will be completed for you.
- ✓ **Complimentary Inbound Shipping**
After your travel documents have been assembled by your agent, you'll receive an inbound Priority shipping label to ship your documents.
- ✓ **Embassy Registration**
Your trip will be registered through the nearest U.S. Embassy or Consulate in the country you will be visiting. The U.S. Embassy will also send you any alerts. Your safety is important to Swift.
